ANTI-GRAFFITI

TOILET PARTITIONS & LOCKERS

The privacy of washroom and locker room environments make them ideal targets for graffiti. Protect your investment and keep problem areas pristine with Hadrian's anti-graffiti toilet partitions and lockers.

ELIMINATE GRAFFITI

Hadrian's anti-graffiti toilet partitions and lockers allow the use of commercial graffiti removers to completely eliminate graffiti without causing damage to the finish. The powder coating retains its original brilliance and no ghost of the graffiti is left behind!

POWDER COATED TOUGH

Hadrian's graffiti solution is not an after-coating that can wear off over time. The graffiti resistant properties are built right in to the durable powder coated finish, ensuring easy maintenance and long lasting effectiveness.

ENVIRONMENTALLY FRIENDLY

Hadrian is proud of the fact that its powder coating system is environmentally friendly. There is virtually no waste, energy consumption is low, and there are no solvent emissions.

ANTI-GRAFFITI

MARKET COST INDEX:	\$	\$\$\$	
FIRE RATING:	C (GOOD)	B (BETTER)	A (BEST)
RECYCLED CONTENT:	36% post-consumer / 14% pre-consumer		

ENTRY LEVEL COST – FITS EVERY BUDGET

COLORS

Hadrian's anti-graffiti toilet partitions and lockers are available in four popular neutral colors that complement any décor:

- 826 Kilim Beige
- 828 Dovetail
- 829 Desert
- 833 Tricorn Black

Refer to Hadrian's color card for swatches.

Although Hadrian's anti-graffiti powder coating has been proven to perform exceptionally well, Hadrian cannot guarantee complete removal in all situations due to varying environmental and application conditions. For best results, Hadrian's maintenance procedure should be followed regularly and graffiti should be attended to as soon as possible after application.

Hadrian prides itself on being a professional and friendly company that is easy to deal with. We make it a priority to spend time getting to know our customers and work with them to meet the challenges of their specific market. Our local representatives ensure Architect, Interior Designer, Specification Writer, Government Planner, School Official and End-User sales coverage while also expeditiously addressing field support needs and jobsite concerns.
